IMMEDIATE RELEASE

Celebrating a Life-Long Tradition The British Club Way: Our Very First Mid-Autumn Festival

SINGAPORE – The British Club Singapore celebrates Mid-Autumn Festival for the very first time in the 33 year history of the Club, with specially commissioned mooncakes bearing The British Club coat of arms, in conjunction with Her Majesty, Queen Elizabeth's 90th Birthday this year. It will be a much anticipated mix of English and Chinese traditions in a modern melting pot.

Recognising that many of the expatriate members of the Club have made Singapore their second home, The British Club will now celebrate a long standing Chinese tradition - The Mid-Autumn Festival.

Eight variations of mooncakes are now available at The British Club with the most exotic flavour being the Ginger Tea Longan, alongside traditional favourites of White Lotus Double Yolk.

On Saturday, 10 September, there will be activities including a Little Chef Mid-Autumn Special, a lantern walkabout and even a specially designed Mid-Autumn Festival buffet spread. The British Club aims to provide the members of the Club with an authentic Mid-Autumn festival through this inaugural celebration.
