

Dear Member,

As you are aware, the latest announcement on 15 June 2020 mentions that Phase Two will go into effect on 19 June 2020. Hence, we are very happy to announce that the Club will reopen from Friday, 19 June 2020, with some exceptions.

The Verandah Café, Scores Sports Bar (limited operation), pool and sports facilities will reopen from Friday, 19 June. The Windsor Arms will reopen from Saturday, 20 June. The Mountbatten Bar & Grill will remain closed until further notice. Dining reservations are strongly encouraged to assist with managing demand.

Please review the detailed measures and regulations here - <https://bit.ly/2HNaket>

As we reopen, we would like to remind all Members to continue to practise social responsibility. The key highlights to bear in mind as we reopen –

- Gatherings must be kept to a maximum of 5 people
- Maintain a ONE metre safe distance
- Face masks must be worn at all times, except when eating, drinking or exercising
- Wash/sanitise your hands frequently
- If you feel ill or display flu-like symptoms, please see a doctor and stay home

As Phase Two rolls out, we will update the advisory accordingly. In the meantime, we are required to practise capacity limits at the sports centre, facilities, and restaurants.

Please refer to our website, social media channels and EDMs for updates.

We are thankful for all your support for the last few months and are excited to see everyone back at the Club very soon!

Best wishes,
The British Club Team
