

Dear Members,

The latest announcement on 15 December 2020 states that Singapore will proceed into Phase Three on 28 December 2020. Hence, we are pleased to announce that all Food & Beverage Restaurants will allow groups of 8 persons. Dining reservations are strongly encouraged to assist with managing demand.

Please review the detailed measures and regulations here - <https://bit.ly/3dP0oNZ>

As we reopen, we would like to remind all Members to continue to practise social responsibility. The key highlights to bear in mind as we reopen –

- Gatherings must be kept to a maximum of 8 people
- Maintain a ONE metre safe distance
- Face masks must be worn at all times, even while using the laptop, except when eating, drinking or exercising
- Wash/sanitise your hands frequently
- If you feel ill or display flu-like symptoms, please see a doctor and stay home

As Phase Three rolls out, we will update the advisory accordingly. In the meantime, we are required to practise capacity limits at the sports centre, facilities, and restaurants.

Please refer to our website, social media channels and EDMs for updates.

We are thankful for all your support for the last few months and look forward to your continued cooperation.

Best wishes,
The British Club Team
