

# English Wine Week at Windsor Shop

## Discover the Taste of England

18 to 26 June

England is an exciting new force in the wine world, producing world-class bubbles, winning awards and, for the first time, beating major Champagne houses in competitions and earning well-deserved recognition across the globe. The best regions for viticulture are along the southern strip of England's coast, from Cornwall to Kent, and they share similar climates, soil types and grow an array of cool-climate suitable grape varieties. The three major regions to know are Sussex, Kent and Surrey.
