Petersons Wines has a long history of making award-winning fine wines. It started in 1971 as a small vineyard in gorgeous Hunter Valley, Australia. Through hard work and a passion for great wine, the winery has become famous both locally and internationally for exceptional wines, and vintages frequently sell out upon release.

Join us this October with Joe Keats, National Sales Manager at Petersons Wines Singapore, as we explore some of their fine wines. Joe is an experienced and well-travelled Sommelier and Wine Professional with over 25 years of experience in the trade, including wine retail, writing tasting notes and magazine articles, cellar door and restaurant.
