Veuve Clicquot Yellow Label Champagne

168

Grape Varietals: 50-55% Pinot Noir, 15-20% Pinot Meunier, 28-33% Chardonnay

Grapes from 50 to 60 different Crus are used for the blending of Yellow Label. The Chef de Caves draws on a particularly high percentage of reserve wines, as much as 40% and upto 9 years old originating from several harvests (usually 5 or 6) to ensure the consistency of the House style.

The latest rendition of Yellow Label manages to reconcile two opposing factors - strength and silkiness - and to hold them in perfect balance with aromatic intensity and a lot of freshness. This consistent power to please makes it ideal as an aperitif, and perfect as the Champagne to enjoy with a meal.
