

ST. PATRICK'S DAY CELEBRATIONS

Thursday, 16 March

Saint Patrick is the patron saint and national apostle of Ireland, credited with bringing Christianity to Ireland. Join us at Windsor Arms to celebrate this special day with unique Irish flavours and music!

Immerse in a festival atmosphere with Irish dance performance and 'live' entertainment by **The Craic Horse!** Two of Singapore's most established Celtic musicians join forces with rock and indie artists for a punchy folk-rock-punk-funk hybrid. Merging electric fiddle, mandolin, tin whistle, tenor sax, electric guitar, bass, drums and belligerent vocals, The Craic Horse have been hailed as one of the most original acts in Singapore. As energetic as they are irreverent – this is music to drink and dance to!
